DETAILED ACTION

Allowable Subject Matter

1. Claims 1-12,14,16 and 18-49 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The primary prior art Anritsu '031 discloses a portable telephone handset which holds value information in advance and deduct from the hold value in advance, for every call carried out by said portable telephone handset , upon depletion of the balance hold value , then the portable telephone handset halt the call.

However, the present invention includes program means retained in the memory of the mobile phone unit including rate data and a complex billing algorithm with a multiple factor accounting protocol for classifying calls according to the basic catagries of local calls, long distance calls, international calls and roaming calls, applying a call rate according to category, and calculating call charges as calls are made, the program means further including internal accounting means for generating an internal debit account in the phone unit , wherein the phone unit has means for communicating with the system provider and adding an authorized amount to the debit account;

wherein to add amounts to the debit account, the mobile phone unit further includes phone unit identification information to be transmitted for verification by the system provider using the host processor , which host processor also verifies that a phone use account amount addable to

Art Unit: 2683

the debit account for the identified phone unit has been prepaid, was not found nor fairly suggested in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
